

---

Has your company ever been inspected  
by FDA?

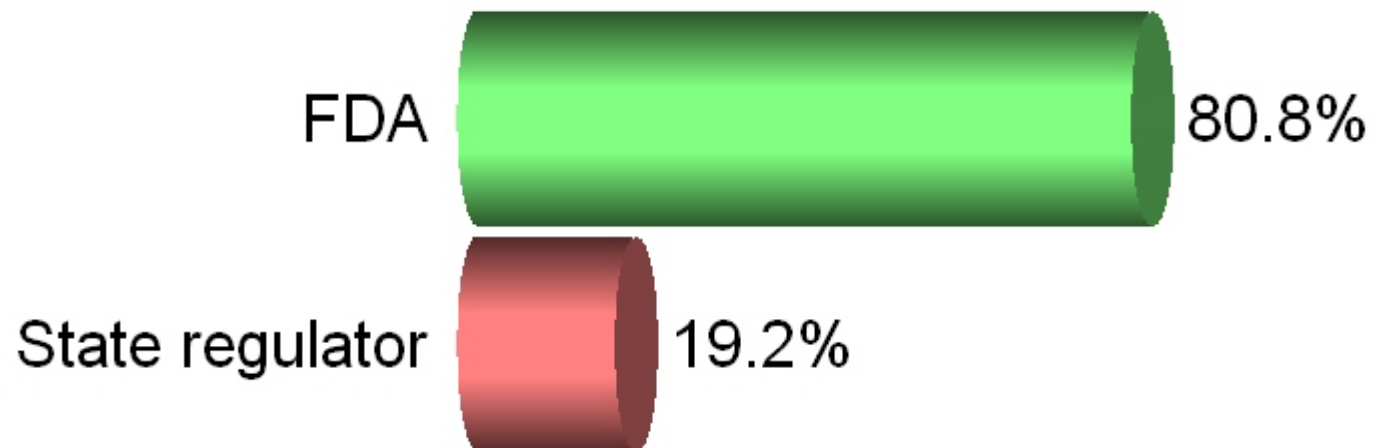

---

## How long ago was your last FDA inspection?

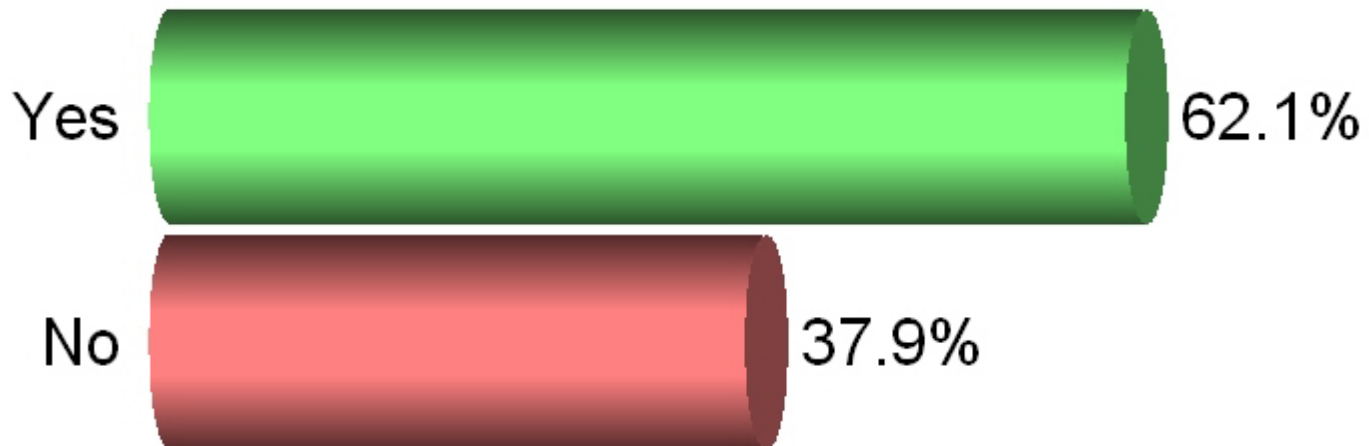

---

Was the inspection conducted by FDA or a state regulator acting on FDA's behalf?

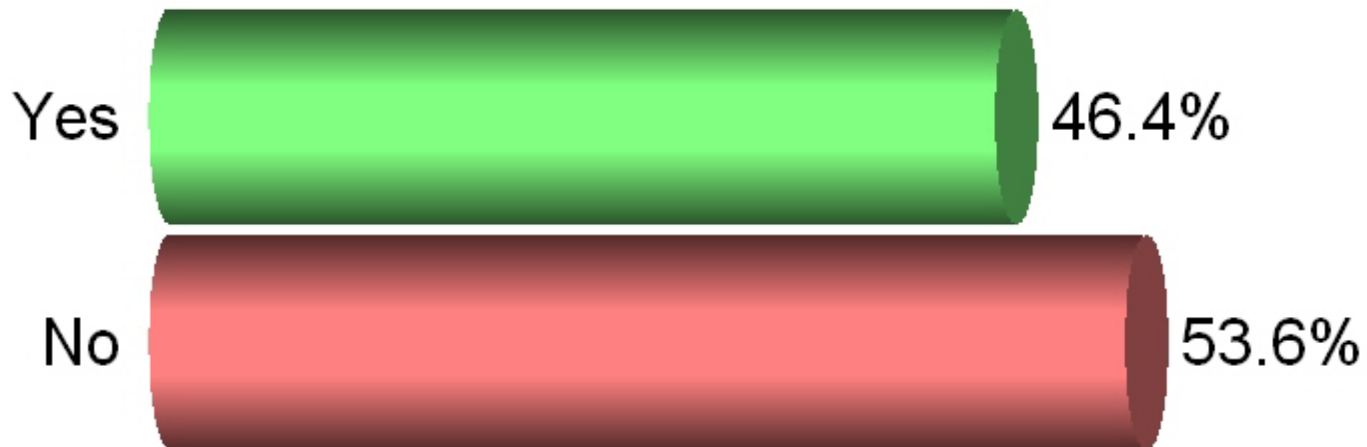

---

Did FDA take environmental or product samples during its last inspection?

---

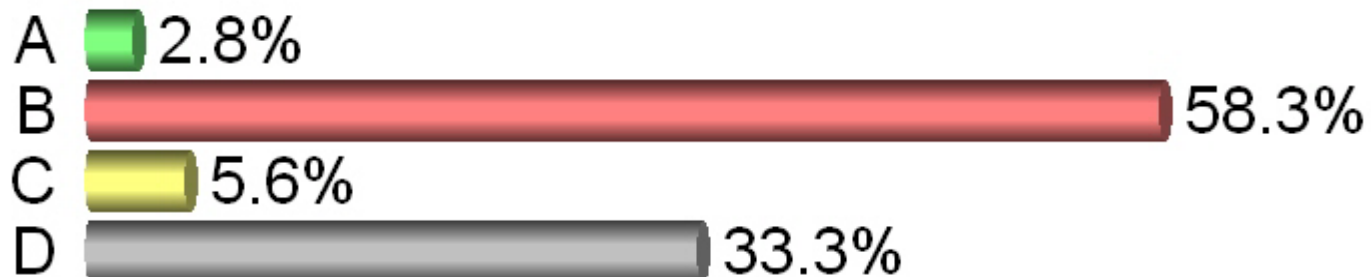

Did you receive a Form 483 after your last inspection?

---

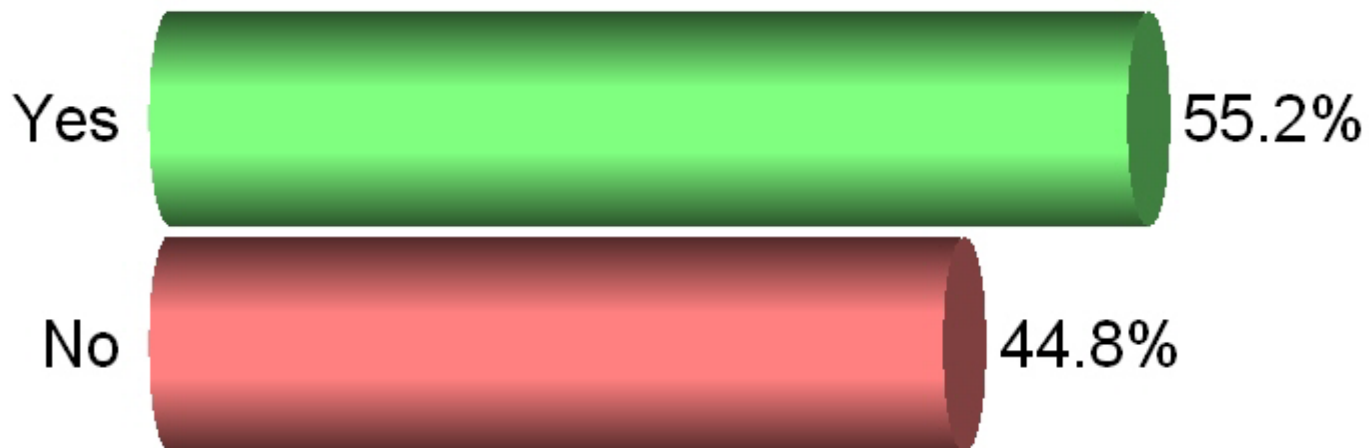

## Which of these can FDA legally demand?

- A. Take Photos
- B. Access to detailed production records during routine inspection
- C. Signing of affidavits or other documents
- D. None of the Above

---

During your last inspection, did the FDA inspector ask to take photographs?

---

If yes, did you give them permission to do so?
