## **2018 ASTA Golf Tournament**

Wednesday, April 18, 2018

The Ritz Carlton Golf Resort, Naples  
Tiburon Black Course  
Naples, Florida

## A Note from the Golf Committee

Well ASTA golfers, it is THE event of the year that we have all been waiting for: the 2018 ASTA Golf Tournament.

As always, it is important that we recognize and thank the generous sponsors of this event. Their continued generosity is critical to having a fun and successful outing. To those of you able to offer your support, we sincerely thank you.

The Tournament this year will be played on the Greg Norman designed Tiburon course and the 'Golf Committee' will be doing its best to create balanced and enjoyable groupings and accommodate those people flying out early.

Your tee time will be posted on your golf cart and will start from 8:00 am onwards. We will play off the WHITE tees and the course length is 6,121 yards – watch out for the sand traps and the water hazards.

ASTA is all about sharing, experiences, industry knowledge etc. and so we want you to mix it up a little. If you have requested a specific team and you manage a victory, be ready for a handicap cut for 2019.

As in previous years there will be more spot prizes to win, chances for the most and least experienced of us to garner some goodies and, there is the return of the The Larry Anderson Trophy, which will be presented to the longest drive on hole 15, for anyone with a plus 20 handicap.

The Committee expects a fine time, great golf, fabulous stories, a few lost balls and a thoroughly enjoyable day. Thank you for joining this time-honored event.

We look forwards to the 'IF ONLY' stories at the **reception after the round, which will be held at the hotel, in the Putting Green space.**

So, if you came looking for a serious golf game, you came to the wrong place. As we did last year, we will also be asking you to record **any balls you put into a sand trap/ bunker.** There are plenty of sand traps on the course so please put the number you went into against each person on the score card. The Susan L. Abbott Memorial Scholarship will be happy to take your hazard dollars – it's \$5 for every bunker time, so attack those greens! If you do not record this number, be prepared to be fined heavily.

Our sincere thanks,

*The Golf Committee*

## The Format & Some Rules

**Gentlemen please use the White tees; Ladies please use the Red Tees.** We have chosen a scramble format to give each team an equal opportunity to win this tournament. The handicap of each team will be the total of all players' handicaps divided by 6. Your team handicap has already been calculated and is on the team's score card. Each team of 4 is **required** to use a minimum of three (3) tee shots from each player during the round, if you do not record this, another fine will be on the way and possible DQ! **Par 3s do count.** Each team is to note the player's drive that was chosen on the score sheet. If you are a team of 3 then you need to take 4 tee shots each. All you need to do is record the number of strokes you took on each hole, add them up and take off the exact team handicap. ***(Not doing so will mean a DQ).***

In the event of a 3-person team, one member of the threesome may, **on a rotational basis by hole,** take the extra shot to compensate for the fourth person, but they do this for the whole of the hole. To help with the organization please do not ask for any last-minute changes to the printed teams.
