

A Waters Company

March 11, 2021

To Whom It May Concern:

The Culinary Spice Samples in this shipment **could** consist of ground red pepper, oregano, and/or ground black pepper. Each container contains approximately 250 grams of sample. The samples are used to establish the validity of test methods, and/or the competency of a laboratory. They may also be used as a tool for performance monitoring, analytical instrument calibration, and quality improvement within a laboratory. **The sample is not designed for human consumption.**

The products are packaged and originate from Environmental Resource Associates in Golden, Colorado, USA. **They are for Laboratory Testing Purpose Only, Not for Resale.**

Harmonized Tariff code is 0904.12.00. These commodities were exported from the United States of America.

Sincerely,

A handwritten signature in blue ink that reads "Sylvia Lowe". The signature is written in a cursive, flowing style.
